The Cinnabar Foundation Announces 2017 Challenge Grant Program

The Cinnabar Foundation's 2017 Challenge Grant application period opens on January 2, 2017.

Cinnabar awards two types of grants — General Operating Grants and Special Project Grants. Both are offered as challenge grants and require a minimum of a 1:1 match. The maximum grant award is \$15,000. Organizations may apply for only one grant per year, and there are special eligibility requirements for each type of grant. Please see the “APPLY FOR A GRANT” section on the Cinnabar Foundation's website for details.

Please note these important reminders and changes to the 2017 application process:

- To be eligible to apply for a 2017 grant, the organization's 2016 grant¹ **must** be submitted by January 31, 2017.
- For the first time, General Operating Grant applications will be solicited by “invitation-only.”
- General Operating Grant applications will be sent directly to invited applicants by the Foundation's executive director.
- Special Project Grant application forms are available on the Foundation's website as downloadable, fillable PDFs.
- Only applications submitted electronically on the standard Cinnabar application form will be accepted.
- The deadline for submitting General Operating Grant applications is February 28, 2017.
- The deadline for submitting Special Project Grant applications is March 31, 2017.
