

Dear Friend of the Montana Outdoor Hall of Fame,

The best conservation stories start with a single idea. They develop into history with the foresight and drive of passionate individuals. Montana Outdoor Hall of Fame (MOHF) was the idea of conservationist Jim Posewitz. In 2013, his drive and passion brought conservation nonprofits, foundations, and state agencies together for the purpose of capturing the stories of and educating the public about our conservation heroes throughout Montana's rich history.

MOHF's founding organizations include Montana Historical Society; Montana Fish, Wildlife and Parks; Montana Wildlife Federation; Montana Wilderness Association; Montana Trout Unlimited, and Montana's Outdoor Legacy Foundation. These organizations are pleased to announce MOHF is now a 501c3 nonprofit organization. While the structure of the MOHF has changed, it will continue to function in close cooperation with the founding organizations.

**YOU can nominate inductees to the 2020 Montana Outdoor Hall of Fame!** Do you know someone deserving of this honor? If so, please consider submitting a nomination recognizing the outstanding contributions they have made to the conservation of our great state. Every two years, we seek to induct a diverse group of individuals into the Montana Outdoor Hall of Fame. Nominees do not have to be living nor do they have to be a resident of Montana, as long as they have spent time in Montana and the impact on Montana was or is significant.

**Nominations are due by February 29, 2020.** Visit our new website at [mtoutdoorhalloffame.org](http://mtoutdoorhalloffame.org) to learn more about MOHF and submit your nomination online.

The banquet inducting the 2020 class into the Montana Outdoor Hall of Fame will be held on Saturday, December 5, 2020 in Helena.

Lastly, would you like to help shape MOHF into the future? Is engaging younger generations in Montana's conservation legacy important to you? Are you passionate about Montana's conservation history? Are you a leader who wants to give back to the community? If so, please consider learning more about serving on the MOHF Board of Directors. MOHF is looking for energetic and committed board members to help carry out the mission and create a vision for the future. Board members serve two-year terms beginning in January of each year.

Sincerely,
